**Literacy**
Write out these words into your homework book using correct formation and touch joins. Trace over the words to help with your formations. Learn to spell the words as you write them.

political, government, party, democracy, monarchy, campaign, state, federal, local.

**Mathematics**
Choose a common fraction. ¼, ¾, 7/8. Challenge yourself if you are a keen mathematician.
In your grade next week we will be watching a movie about fractions. You will make your own movie in iMovie to show your understanding of your chosen fraction. Your teacher will go through the steps with you and discuss the process.
Over the weekend look at things that are divided into fractions. Make a list of these things. ie windows in your house, the fraction shown by your fridge doors, the panels on your front door etc. Take some photos of things that are divided into fractions, Salada biscuits, oranges, the double kitchen sink. Label them with the fractions you think they represent.

Have Fun!!!!!!

On the last day of school we will show the movies to the class on the big screen. See if you are the next George Lucas……….. Who is he?
